Endorsement: for Nevaeh- the new novel Hastings Public Library I'm writing about Marcel Duriez's books. I've been a library director in Hastings, Pa for the last six years. I've purchased his first two books for the library and have recommended his books Cuddles and Sammie and Ellie to our patrons to read to their children. The parents and children both loved books. I'm looking forward to his new book coming out for teens (Nevaeh Natalie.)

What kid wouldn't love this book! I have reviewed the book, and I have to say it is overwhelmingly worm, not too long not too short, and imaginative, something children would love to look over, at bedtime! I have read chapters in the manuscript and I was captivated, along with all the others he has a reading team that felt this need to be in all teenager's hands. I feel the same- as they do. I hope that it will be in print very soon. He is an industrious young man, and I wish him much success. Sincerely,

Nevaeh is a 14-year-old girl living in Pennsylvania at the start of this story around the 2000s. The feeling of the story is just because she is the small girl in her class, and has other kids, classmates, mother, grandmother, and even her guardian, putting her down, does not mean that Navaeh cannot rise above all the hatred and shine.

On the darkest day of her human life, Nevaeh commits suicide. However, that is not the end of her young life, but the start of a miraculous supernatural life beginning.

Nevaeh is remembered as the girl who existed. In the notebooks of her life. Likewise, in a town, that to her is just as backward as her temperament is at times. Just like her name spelling also, she lives a life of bullying. Nevaeh feels that death is a way out of the pain.

Before she passes, she lives her life out to see all that she has lost by choosing to relinquish to death, at the age of 14. Leading into an afterlife story in the books to come of her becoming a fallen angel.

An evil entity with wickedness, wanting pain, and death is always lurking in the darkness of cobwebbed-filled minds she has obtained from twisted brainwashing. Nevaeh becomes lost in her mind, and the minds of others as more points of view as the story progresses, in this new afterlife. One Naddalin, an unknown sister, of many siblings.

TO READ IT BEFORE THE MOVIE. I LIKE THE FIRST-PERSON NARRATIVE ONE COULD TELL HER STORY BETTER THAN NEVAEH HERSELF, MAKING LIGHT READING, AN ATTRACTIVE STORY, ROMANCE FOR ALL AGES. THIS SERIES WAS MY INTRODUCTION TO PARANORMAL ROMANCE.

*I'VE SINCE reading FAIRLY HEAVILY IN THE GENRE AND MY PERSPECTIVE SERIES HAS CHANGED SLIGHTLY BUT NOT TOO MUCH FROM MY ORIGINAL THOUGHTS. WHEN APPROACHING THE SERIES, YOU HAVE TO RECOGNIZE WHAT IT IS. THE TARGET RANGE IS FOR YOUNG GIRLS IN THEIR MID-20S IT CONCENTRATED ON THE PASSIONATE MISSION OF THE PHYSICAL AND YOUTH MORE THAN ACTION AND ADVENTURE.*

IT IS A CLEAN NO VULGAR AN INSTANT LOVE STORY WHERE TWO PEOPLE OBSESSED WITH EACH OTHER ONE BECAUSE OF THE FLAWLESS BEAUTY OF THE DANGER SHE SEES... ORIGINALLY POSTED ON NEVAEH WALKIE

*"THIS WOULD BE AN AMAZING GIFT FOR A FAN OF LONG NOVELS OR WHO WANTS TO READ THE SERIES AND NOT FEEL COMPLETELY EMBARRASSED CARRYING AROUND A PAPERBACK EDITION WITH A BUNCH OF TEENAGE*

"Truly this was a beautifully designed edition. Kept me interested in the writer of the book made me want to see more, Perfect love story

Nevaeh Saga has the first ever Transgender and CAM girl's within the text of a novel- All books published less then half a year girl named Haven.

not all out there, just like you.

The moral in the backstory, to explain the front story is, a picture is worth 1,000 words!

The plot of Karly is left out yet only in her mind, she feels at this point- Karly. Who doesn't whom she wants to love? And who loves her- back. Haunted by her past she wants the old days back- when she was a freshmen girl liking a boy and a girl- and not sure on either. The first-ever story is about a CAM girl in her teen years of high school, the secret life of an agave teen girl that needs to feel wanted.

Twist in the plot of Nevaeh, Children being locked up for years in the oubliette of a room with others, and finding her new freedom, like with girls of the past too, remembering Lilly imprisonment- with Nevaeh foe, locked in an orphanage of incest and creepy bounding, torched for the joy of her owner- the 4 girl's mother, treated worse than a dog. Nevaeh is broken mentally, emotionally psychologically, and spiritually, the evenly she went mad because I was not there for her. Numbered with ID tag- ring- hanging the privets.

Death, drugs, partying, and anarchy, are all about being popular right- well what it is like for Maggie- the one that is not, you'll see both sides of the stories of teen girls and boys that make life just suck. Backstory, Ray and Karly are on and off- and the cute sweet boy is looking for love to yet, not with Karly.

Liv and Maddie are just being GAY lovers!

They say you fall in love only once but every time, I see her I fall in love with her all over again and again. Dating- fun- drinking- getting high- boys music- friends- not loving mom or dad- or just a dad. Loving too much in one way, and not enough in others. Girls talking about the nasty sex your mom and dad don't know about- end!

Twist, It all started when I opened up a suitcase and found my Dollie... Noah and Rallie and Sam and friends set off on one last adventure to lay the princess's ghost to rest- the ghost of a girl who will not rest until the bone-china doll is buried in her unfilled grave. In middle school now, and if there is a ghost, creepy, and haunting, will it let them go now that it has them in its grab? Is the doll just a doll or something eviler? Noah pop pushes him to give up fantasy, and Noah quits the game of play yet- not all the way.

But then nothing goes according to plan, and as their adventure turns into a larger-than-life voyage, creepy things begin to happen. Their relationship might be over until one of them announces she's been having dreams about the princess. And this creepy creeper dollie!

I am looking at you- it said! Dollie was feeling me!

Backstory, a sweet love story of a nerdy boy and a popular girl! Nothing beats a long passionate kiss at a football game! Or the romp in the band room! Jenny is losing her mind- at this point!

Backstory, of a girl Nevaeh, helps, Haven- Rockville- A boy to girl story, of transgender, and alternative education, over sexual identities.

Haven is held back in school, and made gifted, over her changes, has a hard time fitting in until she meets three triplets, and her life changes dramatically.

The school like all in this long story, is very wrong to those that misunderstand her- and all the others, she is just a girl- that is just trying to find the real girl that she feels that she is on the inside, that she believed always was there.

The BFFs of Haven, one of the triplet girls- that back Havens family- loses a child and have one Haven take her place- in a way for the mother, in the home, even if she is not identical to the others- they all become like sisters.

Naddalin is a young girl who finds the link to the past, is a train that she falls to, in all ways; that is just a possessed as she is by it. The train takes over her body mind and soul, as she starts at wizard schooling, a hidden railway to a new world of good versus evil where all the girls that have passed too young go too before their reasoned; to their new projects to linger within other minds.

The magic starts here, in the afterlife world.

'This is the story of a lover's triangle... It was bad from the start. And it got worse in a hurry.' A steam train for sale- dubbed '13' by its original cantankerous owner- rusting away on a front lawn of their wizard neighborhood.

Her girlfriends know that Naddalin never- ever had much luck in the looks or popularity department, or taken an interest in owning something like this, but 13 quickly changes all that.

She suddenly has the newfound confidence to stick up for herself, going as far as dating the most beautiful girl at the wizard school, and even as a mysteriously restored 13 thoroughly and terrifyingly consumes every aspect of Naddalin life.

Her girls and Leigh soon understand that they must uncover the awful truth behind a steam train, with a horrifying and murderous history. Hell, hath no fury like a woman scorned, and heaven helps anyone who gets in 13 ways... adventure to find a lost railway that links to the past with ghosts that talk with them, on the trip, to find the magic.

Backstory, Marcella is a girl that is locked in a room made to write a novel; Anna Kindrick is kidnapped by the same man named Steven- a man that is just nuts who claims to be her biggest fan.

Naddalin- celebrates her 14th birthday, then goes back to when she was born. You see, she has lived in her Uncle and Aunt's house. The letter she receives is an acceptance and invitation to study at the Skoufyceol Wizardry school for girls. A dark and wizardry in this world.

Naddalin will learn many things about wizardry from his teachers and Head Masters, and also from
